Femmoto began in 2001 as a women only track day, but has quickly evolved into much more.

Today Femmoto is an organization that looks to fill the void for women motorcycle riders who are looking not only to improve their riding skills with on-track instruction, but who need information, contacts, and specialty services/products. We want **Femmoto** be a platform for getting these special wants and needs to the ears of the manufacturers so their products can be more effective, appealing, and useful to us, the women riders.

Femmoto 2008 will be held on October 3rd, - 5th at Las Vegas Motor Speedway in Las Vegas, NV

SPECIAL NOTE: Femmoto and SportBike Track Time, in partnership with the Women's Motorcyclist Foundation, has helped to raise more than \$40,000.00 to fight breast cancer since 2004 through On Track for a Cure. See: <http://ontrackforacure.org/>
